Pakistan, «PAK ih STAN or PAH kih STAHN», is a Muslim country in southern Asia officially called the Islamic Republic of Pakistan. Its capital is Islamabad, and its largest city is Karachi.

Almost all the people of Pakistan are Muslims. In addition to their common religion, Pakistanis have strong regional identities. They speak Punjabi, Sindhi, Pashtun, and other languages. They also inhabit a different part of the world. More than 10 percent of the people are non-Muslims. They are helping the different cultures together into a unified nation.
